

GOVERNMENT OF KARNATAKA

No.PWD<sup>10</sup> EAP 2006

Karnataka Government Secretariat  
Vikasa Soudha,  
Bangalore, dated 02-06-2006.

CIRCULAR

Sub:-Improvements to State Highways.

The State Highway improvements are being taken up by Karnataka Road Development Corporation Ltd. and Karnataka State Highway Improvement Project. Complaints have been received by the members of Statutory Committees and local representatives that the Executive Engineers of Public Works Department are not giving adequate information and not taking the responsibility of works which are being carried out by Karnataka Road Development Corporation Ltd. and Karnataka State Highway Improvement Project. Instructions are issued on many occasions that the Executive Engineers of Public Works Department shall keep all the information about the improvements of State Highway works taken up and be responsive to local representatives. It is noted with displeasure that inspite of issuing instructions adequate involvement is not forth coming.

It is also requested that the Managing Director, Karnataka Road Development Corporation Ltd. and Chief Project Officer, Karnataka State Highway Improvement Project to issue suitable instructions to the officials concerned and agencies to give adequate information of the works carried out to the respective PWD officers without fail.

herefore it is once again instructed that, though the improvement works are being carried out by Karnataka Road Development Corporation Ltd. and Karnataka State Highway Improvement Project, the Public Works Department Engineers are answerable to the local representatives and represent in the district level meetings. The Public Works Department Engineers shall keep in touch with Engineers/Consultants of Karnataka Road Development Corporation Ltd. and Karnataka State Highway Improvement Project and keep all information of works and provide to the local M.L.A.'s and other public representatives whenever asked.

The receipt of this Circular shall be acknowledged

(T.SUKUMAR)
