

GOVERNMENT OF KARNATAKA

No. PWD 39 CSR 2004

Karnataka Government Secretariat,
M.S.Building,
Bangalore, dated 14.9.2004.

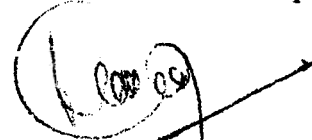

CIRCULAR

Sub Entries to be made in the contractors' Pass-Book

Various entries in the contractors' pass-books are to be made by Executive Engineers which is mandatory as per the prevailing rules. It is observed that those entries are not regularly made, thereby the information regarding qualification, history of previous works taken by on contractor are not available. Hence, the capability of a contractor to take up larger works cannot be ascertained either at the time of issue of tenders or at the time of evaluation of tenders.

It is therefore once again impressed on all the officers concerned to see that respective entries are made in the pass book of the contractors right from the stage of issue of tender papers to the Stage of completion of the work.

The Executive Engineers shall certify at the time of evaluation of tenders that the entries in the pass book of the tenderers are verified, and entries in respect of the tender under evaluation are also made in the pass book.
