No:PWD 111 CRM 2005 (II)

Karnataka Government Secretariat
Vikasa Soudha,
Bangalore, Dated:09-8-2005.

CIRCULAR

In many of the State Highways in major district Roads, geometric improvements have been done in recent years. In number of places, the old alignment of the road is remaining unused. This portion of the unused old alignment can be conveniently used for truck parking. The concerned officers are requested to examine the feasibility of the same and allow parking of trucks in such a way that the normal traffic does not get affected. Suitable directions may be given to the concerned in this regard and submit a detailed report indicating suitably such truck laybys wherever possible.
