

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Subject: Procurement of Works- Use of Standard Tender Documents

Preamble:

Rules regarding Procurement of Works are contained in the Karnataka Transparency in Public Procurements Rules, 2000. Chapter IV deals with tender documents. Para 167(1) of the Karnataka Public Works Department (KPWD) Code Volume I specifies that contract for works estimated to cost more than Rs.25, 000 should be prepared only on regular Contract Form No. PWG-65. This document with little or no modification is widely used by all Government Departments and some PSUs, Municipal Corporations and local bodies. The document is the same for all values of contract. However some PSUs have made considerable changes in PWG-65 and are using the same for their works contracts of large value. Some of the provisions of the Contract Form PWG-65 are at variance/ do not conform with the provisions of the Karnataka Transparency in Public Procurements Act 1999 and Rules, 2000. In addition, Circulars/Orders on various aspects of Procurement have been issued in the recent past, which need to get reflected in the tender documents. At present there is no prescribed pre-qualification document. The Departments and PSUs executing large works have devised their own pre-qualification documents with wide variations. In order to ensure consistency across all Procurement entities in the State, mandating of standard tender documents for Works has been under the consideration of Government for quite some time now.

The Working Group constituted vide Government order No. PWD 1359 SO/FC 2001 dated 14/8/2002 reviewed the draft tender documents for Procurement of Works. The Sub-Committee under the Chairmanship of Secretary to Government, PWD, constituted by Government order No. PWD 122 SO/FC 2003 Bangalore dated 8/5/2003 to examine and make recommendations regarding various aspects of Procurement reforms in the state reviewed and finalized the draft tender documents for works and made its recommendations. The Standing Committee for Procurement reforms constituted vide Government order No. PWD 1359 SO/FC 2001 dated. 5/8/2002 examined the recommendations of the Working Group and Sub-Committee and decided to place the draft tender documents on the website of Finance Department and solicit comments and suggestions. Accordingly the draft tender documents were hosted on the web site of the Finance Department

and a circular was issued vide No.PWD 141 SO/FC dated 29th August 2003 requesting for comments and suggestions.

The standing committee considered the comments and suggestions received in its meeting held on 13-4-2005; and has recommended to government mandating the forms from 1-8-2005.

The Government have examined the recommendations. It is felt that the works documents are tried out for a period of six months so that any problems encountered in use of these documents can be suitably addressed and taken care of before mandatory use in the entire state. Hence, the following order.

Government Order No. FD 9 PCL 2004 (I),
