

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub:-Formation of District Level Committee to co-ordinate with Karnataka Road Development Corporation Limited works.

Ref:-Letter No.KRDCL/MD/2000-2001/776 dated 30-10-2000 of Managing Director, KRDCL.

PREAMBLE:-

Karnataka Road Development Corporation is taking up construction of 153 bridges all over Karnataka. In most cases, the existing bridges have to be dismantled and new bridges are to be constructed either at the same location or at parallel alignment. Upgradation and Major Maintenance of 2500 Kms. of State Highways and construction & reconstruction of about 21 bridges is being taken up through Karnataka State Highways Improvement Project. It is found that in most of these bridges and roads, telephone lines, OFC lines, water lines of KUWSDB and Zilla Panchayat and KPTCL lines are running. These utility lines need to be shifted for construction of the bridges & Roads. In some cases, there is a requirement of removal of trees also.

In this regard, a meeting was conducted by the Additional Chief Secretary (PW & Housing) where the concerned Senior Officials of various Departments were present. In the meeting it was decided to set up District Level Committees headed by the Deputy Commissioner of the District which could meet every 15 days to resolve all local issues about utility line shifting and removal of trees.

In view of the above the following order.

GOVERNMENT ORDER NO.PWD 58 EAP 2000 BANGALORE, DATED 1-12-2000

Government is pleased to constitute the following Committee in each District to address the problem of utility line shifting, removal of trees for

various Karnataka Road Development Corporation Limited & Karnataka State Highway Improvement Projects. The Committee may meet as often as required.
