Sir,

**Sub:-Constitution of Core Team for consultancy services
implementation of International Standard of Quality
Management System [ISO – 9001 –2000]**

The Government of Karnataka has taken Loan Assistance from the World Bank for Karnataka State Highways Improvement Project. The project includes an institutional development component that needs to facilitate reforms of the Public Works Department

through implementation of an Institutional Strengthening Action Plan (ISAP). The ISAP includes actions to restructure the Department and to revive its operating procedure to confirm registration of its Quality Management System to an international recognized standard namely ISO – 9001 – 2000 of selected units within the Public Works Department

The assignment will be executed in 4 Circle Offices and 17 Division Offices of the PWD. The Executive Engineers have been designated as the Nodal Offices for all interactive with the consultants.

However, in order to have a state wide perspective of the issues regarding training of trainees, development of Quality Policy and implementation of Quality Management System (QMS), it is essential to form a Core Team for deliberations with the Consultant. After a detailed discussion with the senior officials of the PWD as well as with the Consultant, it is proposed to constitute a Core Team comprising of the following officials of the PWD have been instructed to Co-ordinate the consultancy relating to implementation of International Standard of Quality Management System (ISO – 9001 – 2000) in Public Works Department.:-
